

GALAVANT IN THE GARDEN

2021 GALA TO BENEFIT BUCKS COUNTY PLAYHOUSE

September 17, 2021

Dear Gala Attendees,

On behalf of the Board of Playhouse Artists, a HUGE THANK YOU for your support this year of Bucks County Playhouse. It is because of you that we are able to continue producing work (featuring artists like Candace Bushnell, Marilu Henner and Freda Payne) and provide educational programs (like the Youth Company and work in the public school classrooms); all while planning the biggest season for 2022 since the Playhouse opened in 1939.

We appreciate the concern of those who have reached out to ensure the safety of everyone at this year's Galavant in the Garden. As a result, we have put into place a number of extra precautions to provide a safe and enjoyable outdoor celebration. Please note the information on the next page providing easy guidelines.

We ask that all attendees be vaccinated or have a negative PCR test within 72 hours of the event; simple instructions for emailing prior to the event are provided on the following page.

All dinner plates will be prepared at stations both outside and in the barn by masked and gloved catering staff. **We encourage those who are comfortable wearing a mask indoors to use the food stations and bars in the party barn.**

We have created a flow for the evening to allow for everyone to eat and enjoy themselves without any crowding. All tables in the performance tent will be socially distanced.

Thanks again for your help, and we look forward to seeing you October 2!

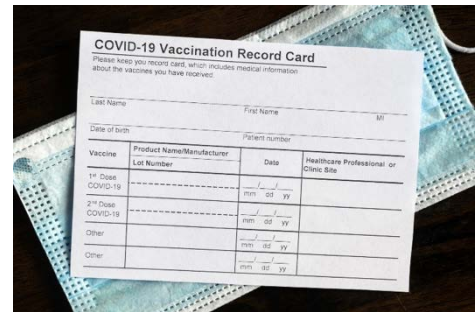

Alexander Fraser
Producing Director & CEO

P.S. And even if it rains, we'll have enough tented space to keep to our plan.

Guest Precautions

- Proof of COVID-19 vaccination or negative PCR test result is required for all guests, staff, and employees including members of the catering, production, and valet teams. Proof of a negative PCR test can be taken within 72 hours before the event.
- Take a photo of the front of your vaccination card, or the negative result from your PCR test, and email either photo to:
2021bcpgala@buckscountyplayhouse.org.
- Masks will be required when in the party barn and restrooms and at food stations and bars. Extra masks will be available to attendees if needed.
- Hand-sanitizer stations will be available throughout.
- If guests feel unwell, they are discouraged from attending. A virtual experience will be made available after the event.

Catering and Beverage Precautions

- Dinner will be available at “served stations”.
 - Food will be served by masked, gloved attendants behind plexiglass barriers. All food stations will offer the same food options both inside the party barn and outside to allow for safer distancing.
- Platters of individually wrapped sweets will be served to each table.
- Multiple bars will be open to avoid crowding, and will have plexiglass barriers between bartenders and guests.

We have taken precautions to confirm that all staff, employees, and contractors working the event have been fully vaccinated or will provide a negative PCR test result. We appreciate your cooperation and look forward to a special night on Saturday, October 2, 2021.
